

Your KEY TO SAFETY

New Pedestrian Signals in Destin

PEDESTRIANS

- Push the button to activate the pedestrian traffic signal.
- Do not enter the crosswalk while the light is yellow.
- Wait until the light is red and all traffic stops, then stay alert and scan for traffic approaching as you cross.

MOTORISTS

- When the signal turns yellow, use caution and prepare to stop.
- When the signal turns red, you must stop behind the stop bar.
- Remain stopped until the signal is green and all pedestrians have safely moved out of the crosswalk.

Funded by FDOT

Motorists: It is illegal to pass a vehicle that has stopped for a pedestrian in a crosswalk.
